## Discount Program

# Member-2-Member Discount Program

**T**he Member-2-Member Discount Program is an opportunity for members to advertise their business and offer discounts on their products and services. This benefit is designed to not only generate business from fellow members across Schuylkill County, but from their employees as well.

The type of discount you offer is at your discretion. However, the offer that you designate would be exclusive to Chamber members. Upon acceptance into the program by the Member Services Committee, your business will receive free publicity through the Schuylkill Chamber website and monthly newsletter promotion.

### Here's How it Works:

- Members may enroll at any time. There is no cost to enroll in the program. However, if additional member cards are required, there will be a fee.
- The list of participating Chamber members will be posted on the Schuylkill Chamber website - [www.schuylkillchamber.com](http://www.schuylkillchamber.com). The list will be updated monthly. Additional participants will be included in the monthly Chamber newsletter. Hard copies of the list will be available through the Chamber office.
- Decals will be created that you will display in your business designating you as a participant of the Schuylkill Chamber of Commerce Member to Member Discount Program.

Should you wish to discontinue your participation prior to the conclusion of the program cycle, it is your responsibility to notify the Chamber and any members who solicit your business that you are no longer participating. You may choose to re-enroll at any time.
